

Playing in the Snow

By Elizabeth and Charlotte Lu

We went to Big Bear this winter
break. It was very fun to play
in the snow. My sister and I
made snow angels.

We also made snowmen. Mine
was the biggest! It took me
a lot of time for me to
make it. I had lots of help.

My sister skied too. She did
it pretty well.

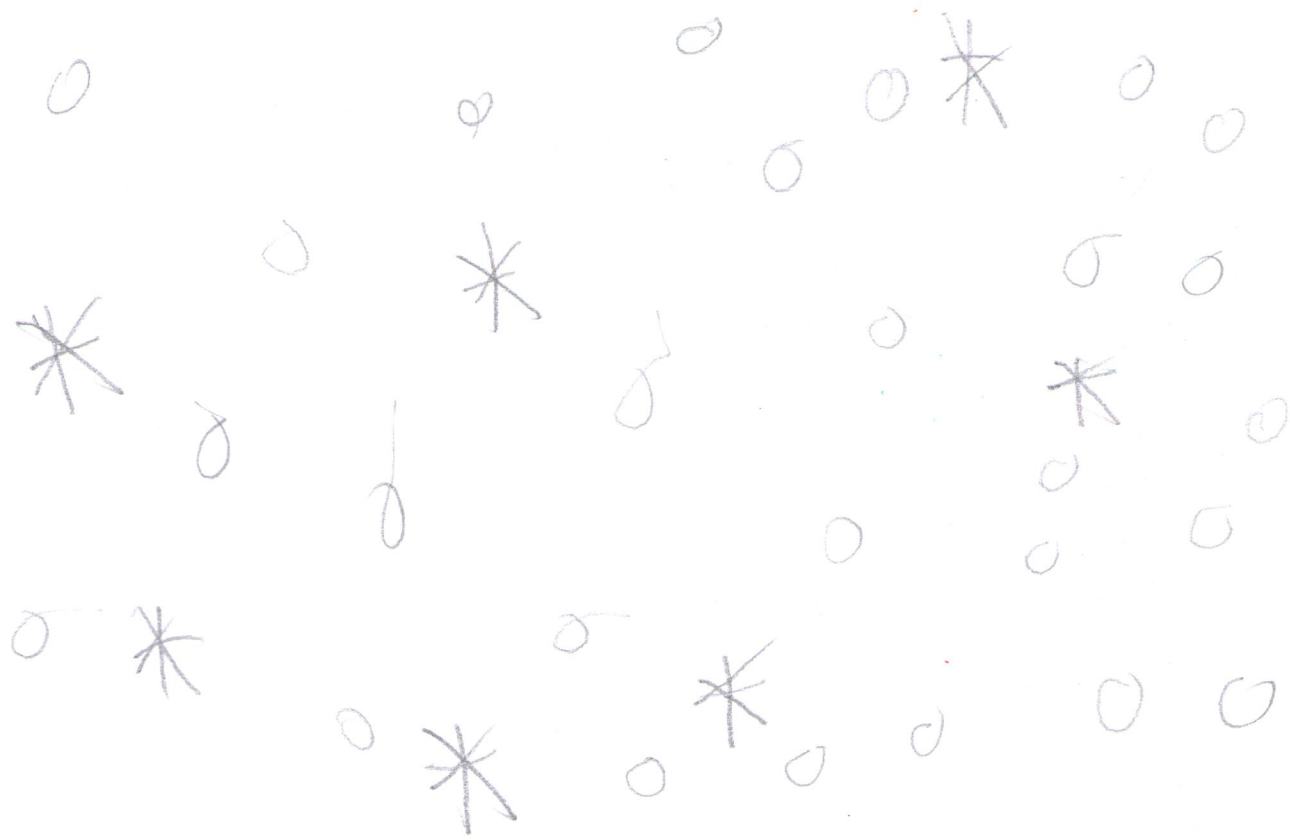

I had ski classes. I went on a
very steep mountain. I fell
down lots of times.

We also sled down a hill.

It was very fun to play at
Big Bear.

Yah!
